## **Volunteering With the Club**

Clubs cannot function without volunteers. If you would like to volunteer to help within the club in any role which involves contact with children, you'll need to complete Access NI Vetting. The process for requesting Access NI is explained in the Swim Ulster Website, which can be viewed using the link below:

Access NI Vetting is needed to enable you train as a Team Manager, Coach or Club Children's Officer. You will also need to complete an appropriate level of Swim Ireland Safeguarding Course. These courses can be accessed using the Swim Ireland link below:
